

HOST A LUGGAGE DRIVE

Help provide dignity during moments of transition.

No child should carry their life in a trash bag.

Hosting a luggage drive helps ensure youth entering foster care have something of their own.

Through community support, we can replace uncertainty with dignity, care, and hope.

HOW IT WORKS

1. PLAN

Choose a location and timeframe.

2. PROMOTE

Share your drive with your community.

3. COLLECT

Gather luggage and essential items.

4. COORDINATE

We help with pickup or delivery.

WHAT TO COLLECT

SUITCASES, DUFFEL BAGS, BACKPACKS
(new or gently used)

HYGIENE + TOILETRIES
(toothbrush, soap, shampoo, lotion, etc.)

NEW SOCKS & UNDERGARMENTS

COMFORT ITEMS
(blankets, small stuffed animals, journals)

All items should be clean and in good condition. Hygiene items should be new and unopened.

TIPS FOR A SUCCESSFUL DRIVE

- ✓ Start small—every contribution matters
- ✓ Set a clear goal (ex: collect 25 bags)
- ✓ Keep communication consistent
